

Maintenance Technician

(m/f/d)

We, IBS Austria GmbH, are the undisputed technology leader in optimizing paper machines. Nearly all renowned paper manufacturers worldwide rely on our expertise and use our products every day. Chances are, you have already held paper in your hands today that was produced using IBS technology. Based in Teufenbach-Katsch, we are also the founding location and headquarters of the globally successful IBS Paper Performance Group. As a family-owned company, we have strong regional roots while also being a true global player. From Teufenbach-Katsch to the world - with more than 800 employees and 24 locations across Europe, Asia, North America and South America.

WHAT WE OFFER

- / The opportunity to apply your expertise and commitment in a varied range of tasks and to grow together with us.
- / Gross hourly wage of at least € 15.98
- / Higher pay depending on education, qualifications, performance and professional experience.

YOUR PROFILE

- / Completed vocational training as a mechanical engineering technician, fitter/metalworker or automotive mechanic
- / Basic technical understanding
- / Passion for technology
- / Ability to work in a team
- / Structured and precise working style

YOUR RESPONSIBILITIES

- / Repair and maintenance of CNC machines, grinding machines and special-purpose machines
- / Participation in optimization projects
