

## Mechanical Design Engineer

**IBS Paper Performance Group** is an internationally recognized leader in the custom design and fabrication of paper machine equipment. Worldwide demand for our products has created interesting openings at our Chesapeake, Virginia location!

**Do you have what it takes** to work with our Applications Engineers and Production Team to create customer and manufacturing drawings? This position includes an occasional field trip to obtain machine dimensions and measure up information.

### Requirements for applying:

- Mechanical Engineering Degree/Mechanical Technologist Diploma
- Background in Metal Fabrication and Custom Build Machinery preferred
- Minimum 3 – 5 years 3D Design Experience including 2D shop drawings
- Knowledge of Pulp & Paper equipment is an asset
- Strong Eye-for-Detail, Organizational and Problem-Solving Skills

### What do You Get:

					
<b>Income Protection</b>	<b>Paid Time Off</b>	<b>Relocation</b>	<b>Health &amp; Family</b>	<b>Power to Grow</b>	<b>Your Future</b>
Sick leave pay, company paid short/long term disability and life insurance.	holidays, vacation and leave, including: bereavement, personal/family, jury duty, military duty & more.	For certain positions, relocation benefit packages may be available.	Excellent health and dental plan.	Career development including: tuition reimbursement, training opportunities etc.	401k plan with company match, discretionary bonuses.

You will work in a **high tech, clean, climate-controlled environment** and enjoy a **competitive salary, signing bonus**, plus **outstanding fringe benefits** (health, dental, life insurance and 401k). You will have the opportunity to **establish** your machinist career, **operate the most modern equipment** and **release yourself from performing routine tasks and enjoy variety**.
